INSTRUCTIONS FOR OBTAINING YOUR
FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA)

If you have not already done so, we urge you to file your FAFSA electronically at
www.studentaid.gov *as soon as possible.*

Students must complete the FAFSA form every year and submit a fully completed, current year FAFSA report to be considered eligible for scholarships. Therefore, you must apply for aid each year by filing out a new FAFSA form and including the FAFSA report as part of the Application Packet submission for consideration by the Iranian-American Scholarship Fund.

If we do not receive a current, correct, and fully completed FAFSA report, we will not be able to determine your eligibility and your application will not be considered.

√ Annual Requirement: You must submit a new FAFSA form each academic year to be considered for an IASF Scholarship.

√ Financial Information Update: The FAFSA requires updated financial information based on the previous year's tax returns.

Please provide a copy of your current year FAFSA report as part of your application packet submission.
